PETITION FOR REVIVAL

Honorable Commissioner:

This is a petition under 37 C.F.R. §1.137(b) to revive an unintentionally abandoned application. An authorization to charge deposit account no. 14-1131 is enclosed for the fee required under 37 C.F.R. §1.17(m).

The above-named application 09/490,362 was unintentionally abandoned on Aug. 29, 2006 by failure to file a timely terminal disclaimer required by a decision of the Board of Patent Appeals and Interferences in a decision issued June 29, 2006. That terminal disclaimer is being filed with this petition along with authorization for the required fee under 37 C.F.R. §1.120(d) for a large entity.

The applicant hereby petitions to revive application 09/490,362 under 37 C.F.R. §1.137(b).

- 1) The required terminal disclaimer is attached with the required fee.
- 2) Authorization is hereby given to deduct the petition fee required under 37 C.F.R. §1.17(m) for a large entity from deposit account no. 14-1131.
- 3) The entire delay in filing the terminal disclaimer was unintentional from the due date of Aug. 29, 2006 until the filing date of this petition. The examiner had informed this firm that a terminal disclaimer was due within 2 months; however, we believed that it was possible to obtain a 1-month extension under 37 C.F.R. §1.136.
